ABOUT US

Ziya Ul Islam (Group M.D)

Message from Group MD -

Our Group, is a Flexible Packaging Materials Supply Group with focus on providing high quality and easily affordable Packaging Solutions, Low-Cost, high quality and attractive Packaging Materials. Our niche lies in the fact that we thoroughly understand today's packaging technologies to help you accomplish your business goals. With a crystal clear objective to deliver high quality Packaging Solutions while incorporating supreme values to enterprises globally at an affordable price.

Our core values-

- **Quality** - We strive to perform at an excellent level in everything we do. We are reliable. We are committed to producing and delivering products to the highest standard possible every time.
- **Teamwork** - We work together collectively to achieve our common vision and goals.
- **Honesty & Integrity** - We are truthful and our actions are consistent with our words. We are honest and direct in all of our communications.
- **Respect & Dignity** - We demonstrate respect for and appropriate loyalty towards our customers, colleagues and suppliers.
- **Innovation & Improvement** - We drive change and challenge the status quo to exceed our customer's expectations.

Mission-

- Our Roadmap starts with our mission, which is enduring. It declares our purpose as a group and serves as the standard against which we weigh our actions and decisions.
- Better Packaging for Better World
- To create values and make a difference in the packaging world.
- To be the partner of choice for the world's leading service providers, governments and enterprises by helping them in their packaging needs.
- Create, build and maintain the most innovative, reliable and cost-effective packaging solutions.
- To become a market leader by consistently exceeding our Customer's expectations, providing them with "the best of breed" packaging solutions.
- To become "Total Packaging Solution" provider, offering a brand-new variety of state-of-the-art technological skills.

Vision-

- We believe that access to the Safe Packaging Material is a universal right.
- We are passionate about breaking down barriers, so everyone can share in the power of the Packaging.
- We believe in sharing Ideas & Great Packaging Products for Everyone.
- Participation changes everything.
- Our vision is to be among top 3 most admired Packaging Companies of U.A.E to work for.
- Our Group, with our member companies (**AAZEE GLOBAL & AAZEE PACKAGING INDUSTRIES**) and our other business associates & partners has a vision to continuously create new opportunities of growth in our strategic businesses.

COFFEE, TEA & NUTS PACKAGING

- * 18 mic to 250 mic
- * Upto 1250 mm width
- * All polymer combination LLDPE, LDPE, HDPE, EVA, mPE, PP blends, Plastomers, EAA, ionomers.
- * One or both side corona
- * MDO available

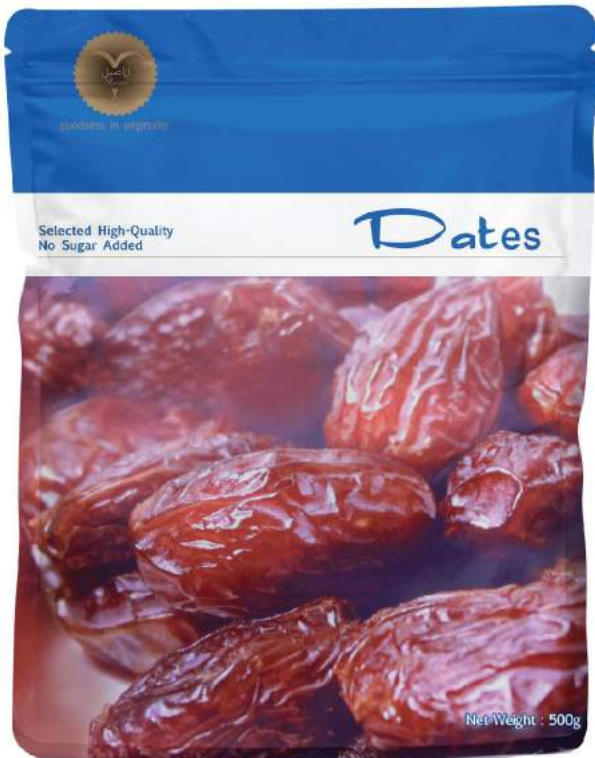

BARRIER FILMS & DEEP FREEZABLE

- * 18 mic to 250 mic
- * Upto 1250 mm width
- * Antifog, antistatic, peelable on request
- * PE - EVOH - PE / PA - PE / PP - EVOH - PP / PE - PA - PE

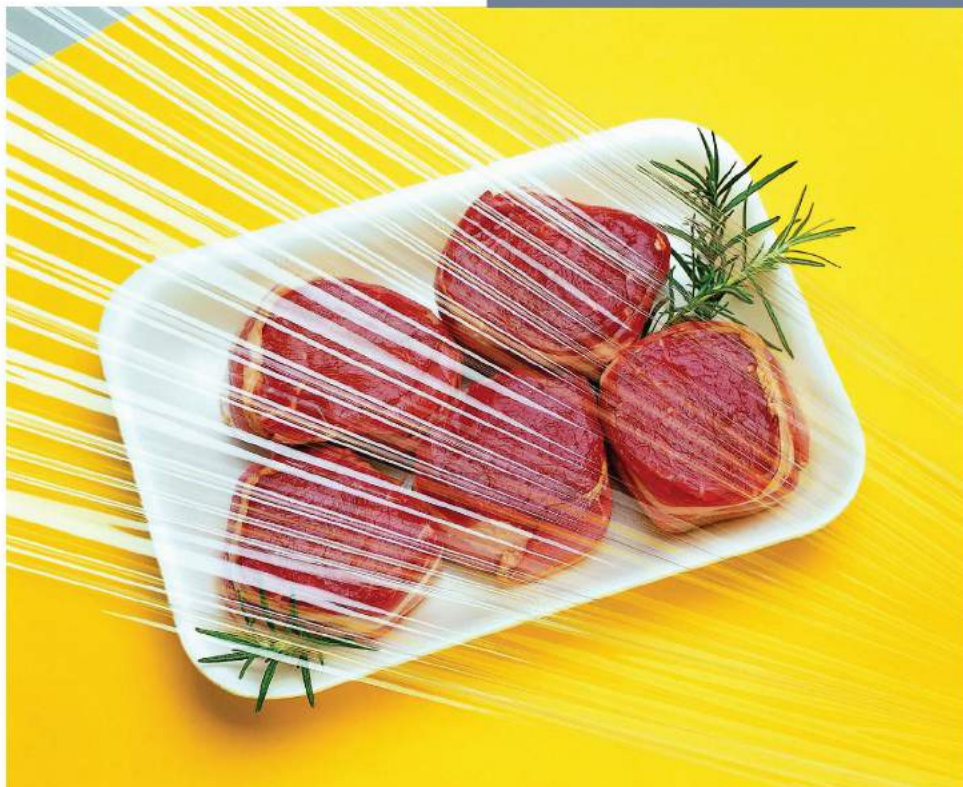

TYPICAL END USES

(Cheese, Poultry, Meat, Dairy products, Dates, MRE and Retort packaging)

LIDDING FILMS & WRAPPING FILM

- * 18 mic to 250 mic
- * Upto 1250 mm width
- * All polymer combination PE & PP with EVOH, PA
- * Single layer lidding solutions with Oriented Films by MDO
- * Peelable, dead-lock, re-closable, antifog, antistatic on request
- * PE stretch film / POF wrapping film / Cling film
- * Ultra shine, High Tight Cigarette / Perfume box wrapping film

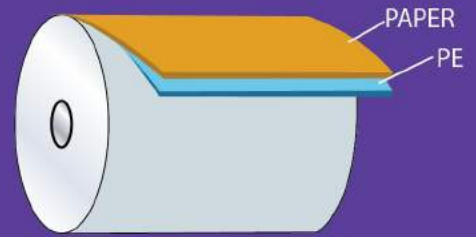

TWISTABLE FILMS

- * Upto 1250 mm width
- * Oriented; ready to print
- * Best yields due density
- * Clear and opaque, antistatic treated, excellent dead-fold

PE / FOIL COATED PAPERS

- * Maximum available net width 1200 mm
- * Produced by extrusion coating and lamination of various papers.
- * We can supply LDPE, LLDPE, PP, EVA, mPE, EAA, Ionomer in a multi-layer construction.

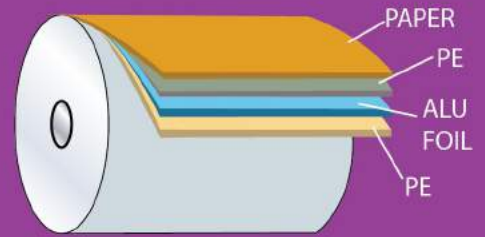

TYPICAL END - USES

STICK SUGAR, BAKING POWDER, ICE CREAM CONES

PAPER / PE / ALU FOIL / PE ALU FOIL / PE / PAPER / PE

- * Maximum available net width 1200 mm
- * Produced by extrusion coating and lamination of various papers.
- * We can supply LDPE, LLDPE, PP, EVA, mPE, EAA, Ionomer in a multi-layer construction.
- * Retort (MRE) Packaging

TYPICAL END - USES

BOUILLON (Chicken Cubes) FOIL, BUTTER FOIL, INSTANT SOUP PACKING, REFRESHING TISSUES, COFFEE & POWDERED DRINKS, SWABS PACKAGING

MET PET / PE

- * Produced by extrusion coating & lamination technology

OUR TEAM

At our group, we believe **“Technology only does not run an enterprise, people and relationships also do”!**

We believe that work is more than a place you go every day. It should be a place of exploration, creativity, professional growth and interpersonal relationships.

The people with us, are a selected team of specialists and experts, many of whom have worked together for years. Unlike Industry standards, We have a retention rate of 95% for our employees which in turn imply very high ownership standards. We want our people to take pride in their work and in building brands that others love. After all, it's the synergy of combined talents, skills, knowledge, experience and passion of our people that make us who we are.

If we have said that we have the expertise to meet your requirements, it is because we have the right people with us.

Highly experienced and technically advanced Leaders of the Industry...

Creative Problems Solvers...

Innovative Thinkers from Diverse Backgrounds...

These are the types people who work with us. We have built a creative and multi-disciplinary team made up of trained and self-motivated people committed to meeting the needs of our present and future customers. One of our key strengths is our ability to innovate solution using latest and best technology from the industry and deliver solutions that help our clients achieve sharp performance improvements.

1. You get the best team to work for you; technically qualified
2. When we take up your project, we work as if we are an extension of your company

Since the group has established, we have set out to create the kind of corporate culture that gives our team the personal freedom they need to achieve their individual goals while supporting the objectives of the company.

Thanks to our people and our partners (customers & suppliers), we can extend the benefits of insight into the worlds of business, professional, and personal effectiveness.

Environmental Policy

- We are committed to achieve excellence in providing a healthy & safe working environment and to supporting environmentally sound practices in the conduct of company activities.
- It is our policy to comply with all applicable health and safety and environmental protection law's, regulations and requirements.
- All company activities will be conducted in a manner that ensures protection of staff, visitors and the environment.
